

DATA SHEET, FLYER RACK

Aluminum 19" Rackmount Chassis with Protective Carrying Case

- Super lightweight, single lid, ruggedized carrying case
- Case material is proprietary polypropylene copolymer blend
- Case is corrosion-resistant, water-resistant and dust/dirt-resistant (IP67)
- Hinged lid, 2" deep
- Retractable handle and recessed wheels for easy transport
- Automatic purge valve included to equalize air pressure
- Case suitable for use in temp. range from -60F to +160F
- Removable internal chassis, 2U – 6U
- Chassis constructed of extruded aluminum, patented CV2 design - super strong and rigid
- CNC-machined extrusions lock together to provide 19" rackmount dimensional accuracy
- Custom foam internals secure chassis and protect equipment while in transit
- Rack fasteners included (cage nuts, machine screws, finishing washers)
- Ideal for commercial and military applications
- Simply lift chassis from case and set where desired (i.e. table, desk, bench)
- Chassis includes rubberized feet for stability
- **Suitable for use as checked baggage on airlines**
